ABOUT BIMEDA IN IRELAND

[Bimedacareers.com](https://bimedacareers.com)

[Bimeda.ie](https://bimeda.ie)

We are a dynamic, family-owned company with over six decades of experience in the veterinary pharmaceutical industry, and a passion for excellence in animal health. Today, Bimeda Ireland develops, manufactures and markets a wide range of veterinary pharmaceuticals and animal health products, for livestock and horses.

Our QC, R&D, Regulatory Affairs, Finance, NPI, Marketing and Artwork teams are based in Sandyford, at Bimeda's Global Innovation Centre. Our manufacturing, QA, validation, customer services and warehousing teams are based at our Tallaght location. We also have field-based, or dual-located, sales, business development and HR teams.

We have a team of over 110 people in Ireland. All of our colleagues are committed to Bimeda's 5 core values of **collaboration, innovation, customer service, learning** and **accountability**.

PATRICIA DIAS

Customer Service & Logistics Executive

“Bimeda provides a good environment to develop various professional and personal skills. The exposure to different activities and projects help to develop a great understanding of business strategy. The ongoing learning process helps to become confident in overcoming challenges. There is always something new to learn! Employees have an autonomy of their own work and we are responsible for managing our own priorities, which creates a sense of accountability.

LOUISE PIGOTT

Finance Manager

“Since I joined Bimeda I have had the chance to progress in my role and learn from some great people. I work with the finance teams worldwide on a daily basis and have built strong relationships with my international colleagues. There are always new opportunities to be had and new things to learn from the business and those around you. The culture in our team is one of collaboration and support which is reflective of Bimeda as a whole.

CATHAL DALY

Export Sales Manager

“Since joining Bimeda, I have had the opportunity to work with some of the most talented professionals in the industry and have been given invaluable exposure to large international clients from day one. One of the things that has stood out to me during my time here is the unwavering support provided by my colleagues. Having the opportunity to work on international projects which have had real impacts on the industry has been incredibly rewarding.

BRENDA GARRY

Payroll

“23 years ago, I started my Bimeda journey! Since then I have seen a lot of change within the company, it's grown from strength to strength all over the world, but the one thing that has remained the same is the company's commitment to its staff. My experience has been one of understanding, flexibility around work life balance and always a great laugh along the way. I have met some amazing people and made lifelong friends here too.

WHY BIMEDA?

A career at Bimeda is extremely rewarding. You will learn a broad range of skills and may have the opportunity to collaborate with colleagues in different teams and locations.

Here are some of the other great features of life at Bimeda:
